Dear Tom,

On behalf of Mercy Housing and Shelter thank you for the 20 copies of *Dinner at Six*. Last Saturday I had the opportunity to bring the book with me to a local event we were hosting, no surprise, it was a hit!!!!

Educating people about the homeless and helping them understand how these people live their daily lives is a job Mercy Housing and Shelter works on each and every day. Thank you for your part in making our job easier.

I will continue to distribute and publicize these books at all speaking events and also with our volunteer leaders.

May your generosity return to you as blessings.

Sincerely,

Louann D'Angelo  
Director of Development
